2013

Exotica expanded its production capacity by starting a second production line.

2016

The company began the production of 600x600mm tiles.

2018

Exotica started its sanitaryware plant.

2019

The company began producing and selling 600x1200mm tiles.

2023

Looking ahead to 2023, the company plans to begin producing 300x300mm ceramic tiles.

2024

Launched premium GVT tiles plant, Exotica Tiles LLP, catering to premium wall and floor decor.

The company produces **10 MILLION SQUARE METERS** of porcelain and ceramic tiles annually

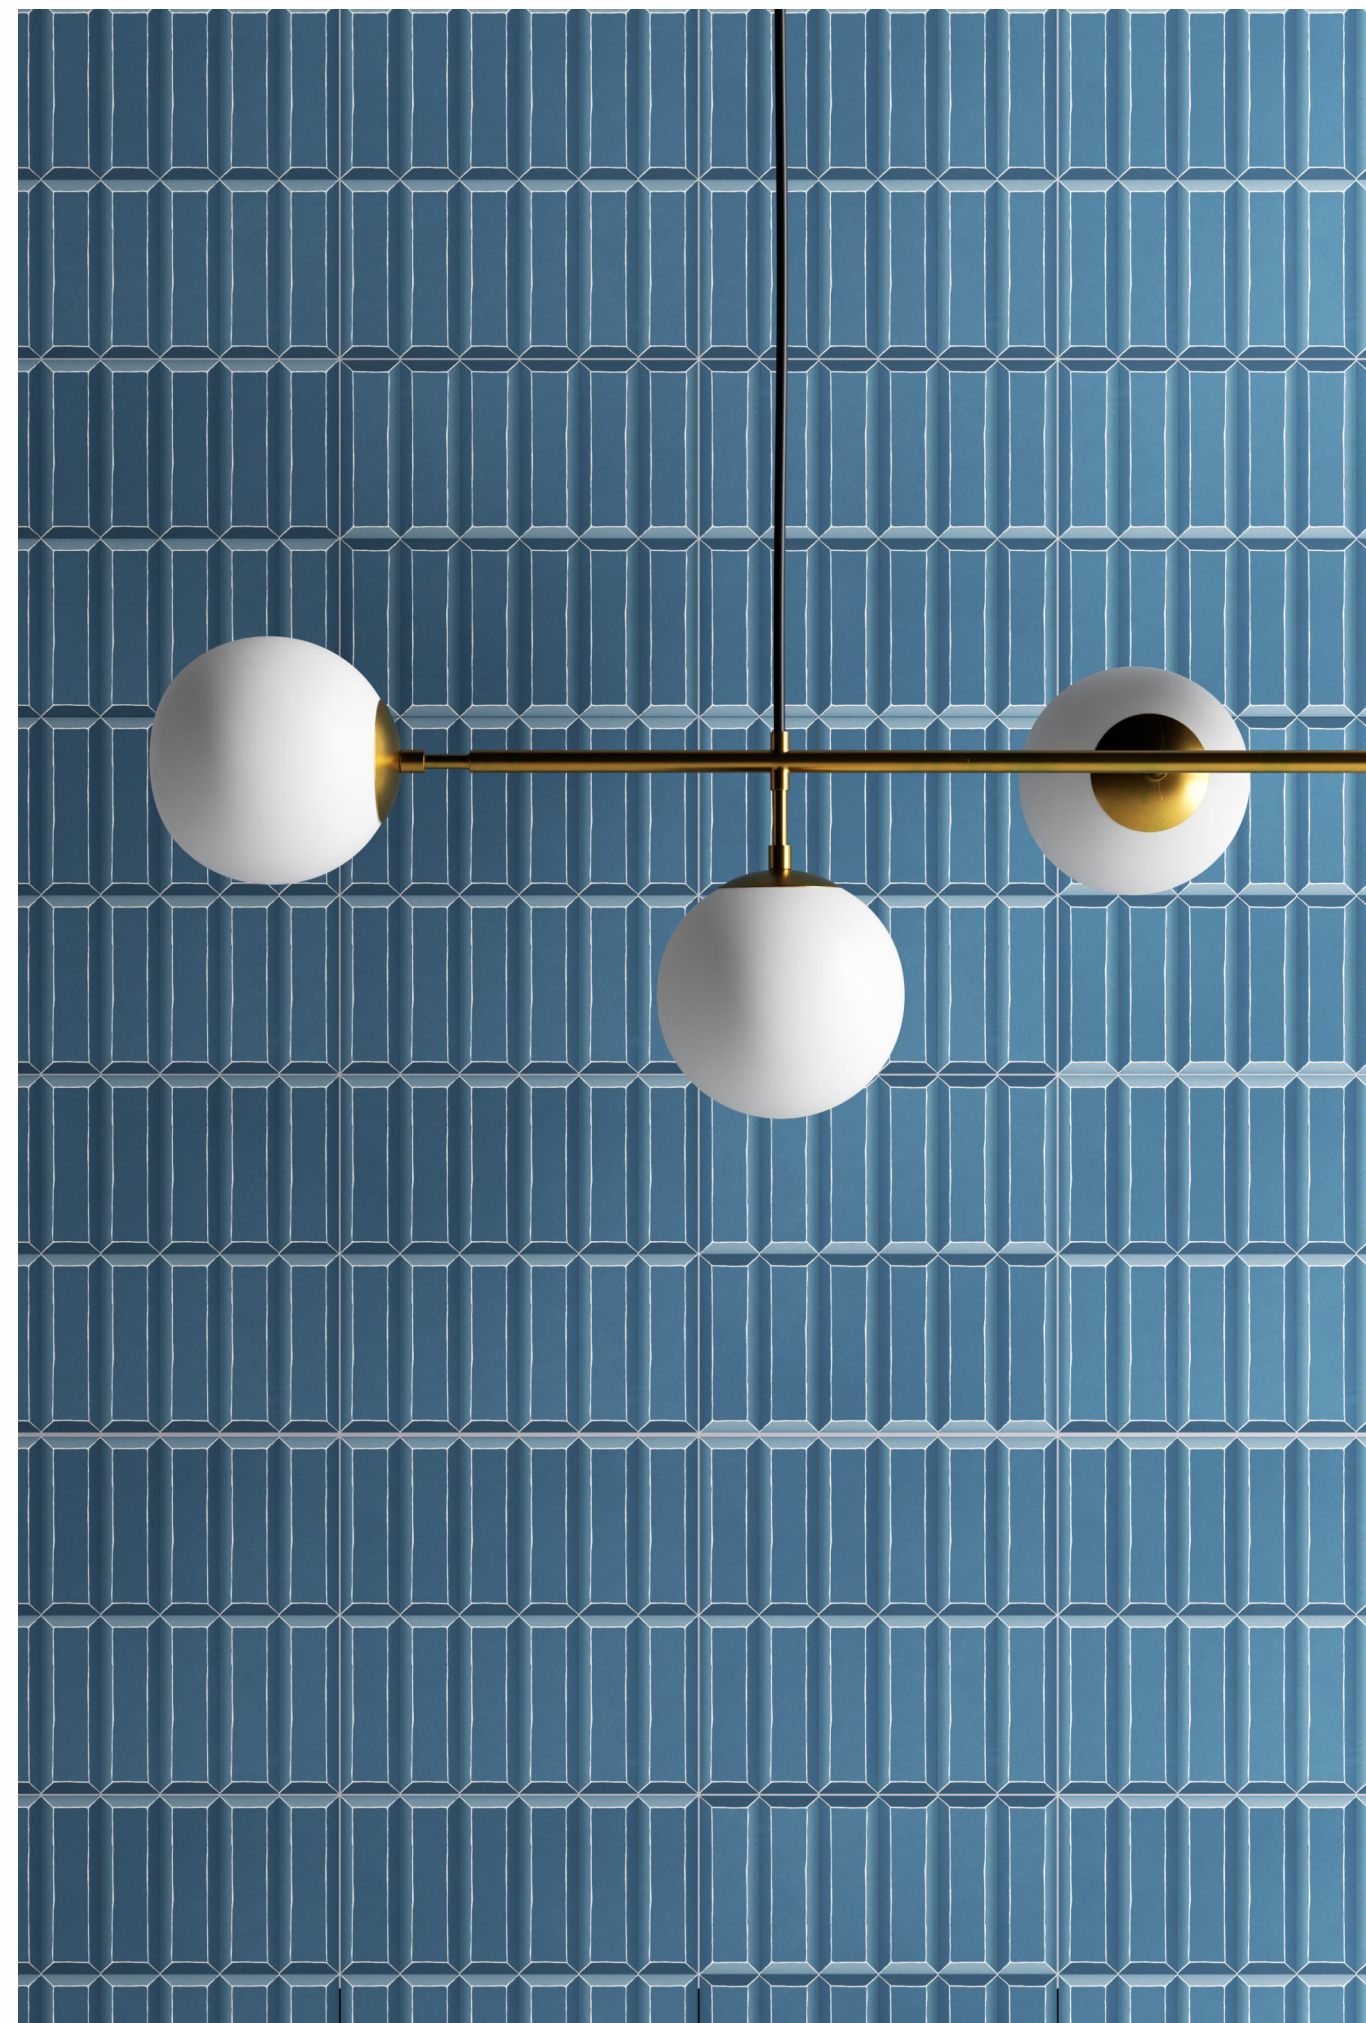

CHORAS

COLLECTION

Explore the art of color

The Colorica Collection brings a vibrant blend of hues and textures, designed to infuse life and energy into every space. With a variety of bold and subtle tones, these tiles offer endless design possibilities for both contemporary and traditional interiors. Whether you're looking for a pop of color for your walls or an elegant touch for your floors, Colorica provides the perfect solution to express your style.

Crafted with precision and attention to detail, the Colorica Collection ensures exceptional quality and durability. Its diverse range of finishes, from glossy to matte, guarantees a seamless look that fits any aesthetic. Elevate your home with these stunning tiles, where color meets craftsmanship, and every surface becomes a work of art.

Perfect Surfaces, Ideal Sizes

Our 300x300mm ceramic tiles are the ideal choice for compact spaces, offering versatile surface finishes to suit any style. The glossy finish enhances light and adds a touch of brilliance, perfect for creating a spacious and reflective look. The matte finish brings a sophisticated, modern appeal with a soft, muted texture ideal for understated elegance. Designed for easy installation, these glue-ready tiles combine strength and style, making them perfect for walls and floors, ensuring durability with flawless aesthetics.

300X300MM

Elegance & Endurance Redefined

Exotica Ceramics offers an exquisite blend of opulence and durability in its exclusive collection. Crafted with precision and designed to cater to contemporary living, this collection is ideal for those seeking to embellish their living spaces with extravagance while ensuring long-lasting strength.

These 300x600mm tiles from Exotica Ceramics elevate your interiors with their captivating designs, intricate patterns, and flawless finishes, all while fortifying your spaces to exude robustness and luxury. Transform your living spaces into a realm of enduring elegance with Exotica Ceramics.
