Exotica Ceramic 2025

About

Unleash creative craftsmanship

Glazed Porcelain tiles, headquartered in Morbi, India. Our commitment revolves around upholding integrity and excellence within our quality control and customer service systems, Exotica stands out as a rapidly expanding enterprise, fueled by a team of youthful and dynamic employees, operating within a vibrant organizational structure.

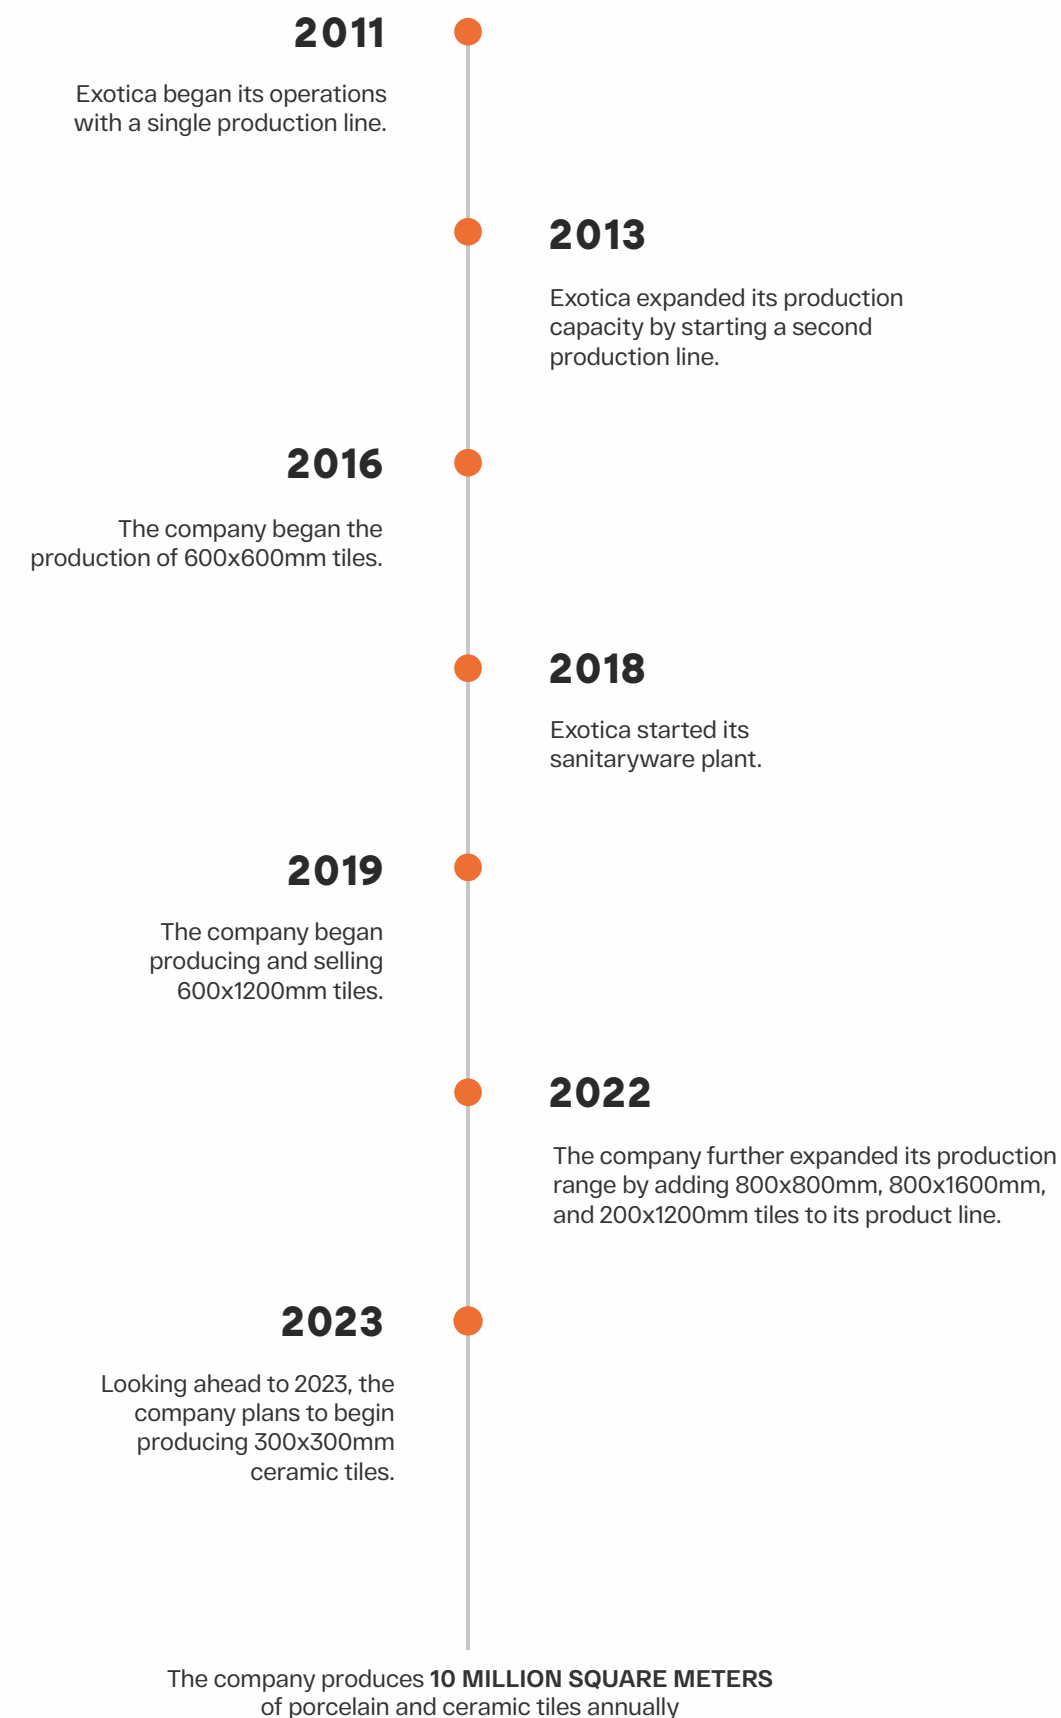

At Exotica, our driving force is innovation and cutting-edge technology, resulting in a global presence that provides clients with top-notch products and outstanding customer care. We leverage the latest Italian technology and employ high-tech automated machinery that complies with international standards. With our dedicated and skilled workforce tirelessly pursuing our most challenging objectives, we ensure that both our products and client relationships consistently maintain high quality and long-lasting durability.

History

Looking to the Future
Since 2011

We continue to passionately experience the authentic spirit of a history that continuously renews itself while remaining faithful to our core values, like innovation, technology, ethics and social and environmental sustainability.

COLORICA

COLLECTION

Explore the art of color

The Colorica Collection brings a vibrant blend of hues and textures, designed to infuse life and energy into every space. With a variety of bold and subtle tones, these tiles offer endless design possibilities for both contemporary and traditional interiors. Whether you're looking for a pop of color for your walls or an elegant touch for your floors, Colorica provides the perfect solution to express your style.

Crafted with precision and attention to detail, the Colorica Collection ensures exceptional quality and durability. Its diverse range of finishes, from glossy to matte, guarantees a seamless look that fits any aesthetic. Elevate your home with these stunning tiles, where color meets craftsmanship, and every surface becomes a work of art.

Perfect Surfaces, Ideal Sizes

Our 300x300mm ceramic tiles are the ideal choice for compact spaces, offering versatile surface finishes to suit any style. The glossy finish enhances light and adds a touch of brilliance, perfect for creating a spacious and reflective look. The matte finish brings a sophisticated, modern appeal with a soft, muted texture ideal for understated elegance. Designed for easy installation, these glue-ready tiles combine strength and style, making them perfect for walls and floors, ensuring durability with flawless aesthetics.

300X300MM

Elegance & Endurance Redefined

Exotica Ceramics offers an exquisite blend of opulence and durability in its exclusive collection. Crafted with precision and designed to cater to contemporary living, this collection is ideal for those seeking to embellish their living spaces with extravagance while ensuring long-lasting strength.

These 300x600mm tiles from Exotica Ceramics elevate your interiors with their captivating designs, intricate patterns, and flawless finishes, all while fortifying your spaces to exude robustness and luxury. Transform your living spaces into a realm of enduring elegance with Exotica Ceramics.

300x300mm

An Extra - Ordinary Performance

Embrace the elegance and functionality of our ceramic tiles, as each feature is thoughtfully engineered to elevate your spaces to new heights of beauty and sophistication.

They are hygienic, practical and easy to clean

They are wear-resistant.

Resistant to scratches and abrasions

They are unaffected by stains & chemicals.

Compact material, highly shock-resistant

They do not react fire, do not burn.

They are resistant to UV rays, lasting colour stability

They do absorb or give off odours

They can withstand temperatures of up to 150 °C
