About

Unleash creative craftsmanship

Glazed Porcelain tiles, headquartered in Morbi, India. Our commitment revolves around upholding integrity and excellence within our quality control and customer service systems, Exotica stands out as a rapidly expanding enterprise, fueled by a team of youthful and dynamic employees, operating within a vibrant organizational structure.

At Exotica, our driving force is innovation and cutting-edge technology, resulting in a global presence that provides clients with top-notch products and outstanding customer care. We leverage the latest Italian technology and employ high-tech automated machinery that complies with international standards. With our dedicated and skilled workforce tirelessly pursuing our most challenging objectives, we can ensure that both our products and client relationships consistently maintain high quality and long-lasting durability.

History

Looking to the Future Since 2011

We continue to passionately experience the authentic spirit of a history that continuously renews itself while remaining faithful to our core values, like innovation, technology, ethics and social and environmental sustainability.

2011

Exotica began its operations with a single production line.

2016

The company began the production of 600x600mm tiles.

2019

The company began producing and selling 600x1200mm tiles.

2023

Looking ahead to 2023, the company plans to begin producing 300x300mm ceramic tiles.

2013

Exotica expanded its production capacity by starting a second production line.

2018

Exotica started its sanitaryware plant.

2022

The company further expanded its production range by adding 800x800mm, 800x1600mm, and 200x1200mm tiles to its product line.

The company produces
10 MILLION SQUARE METERS
of porcelain and ceramic
tiles annually

COLLECTION

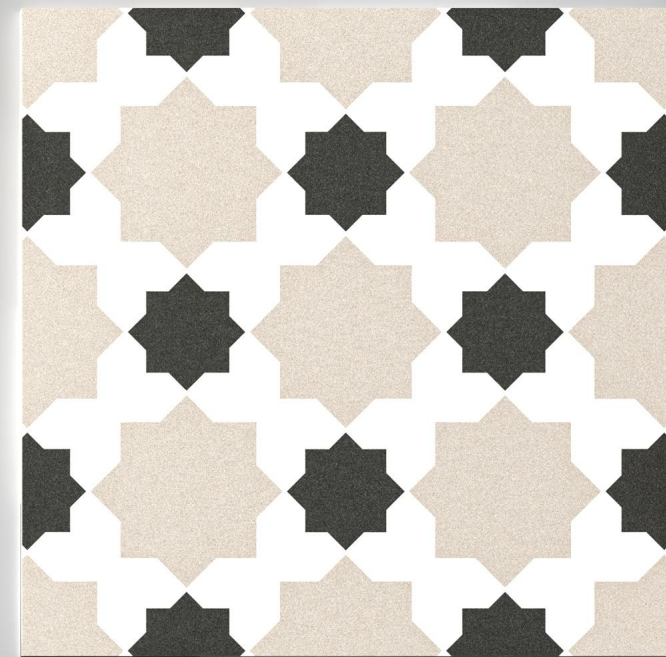

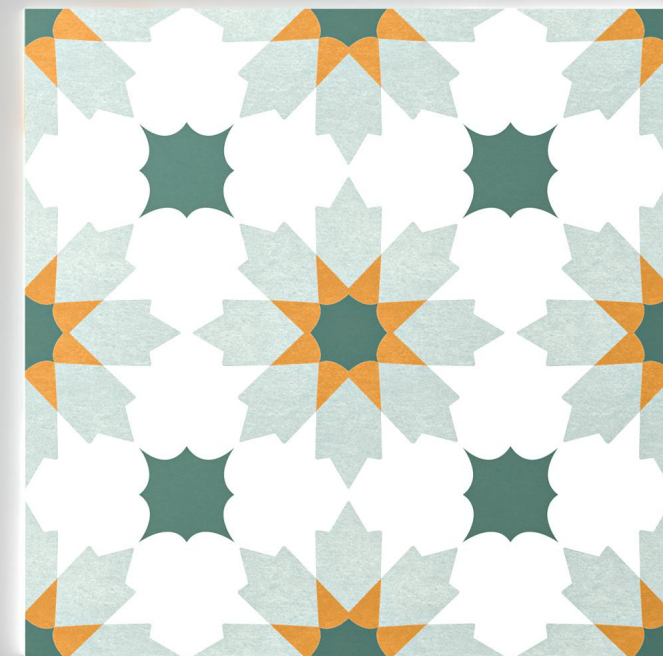

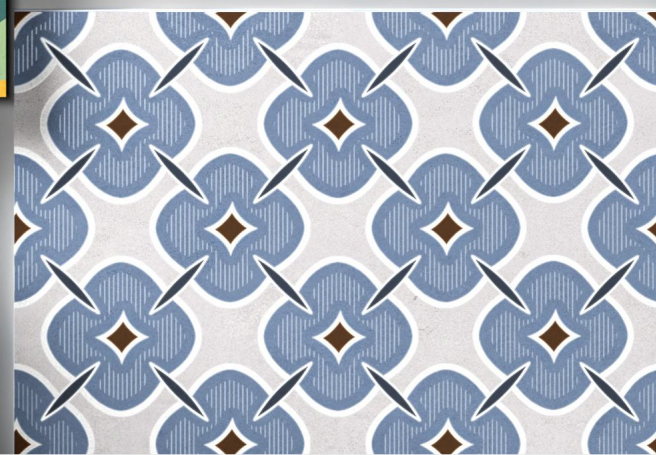

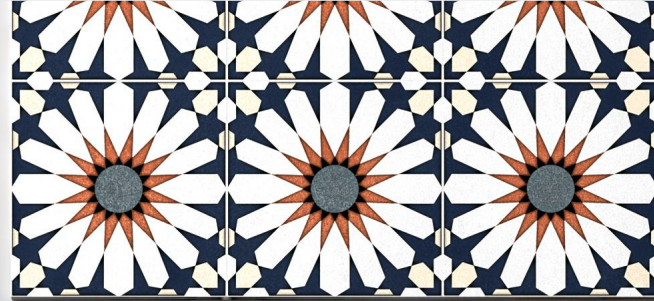

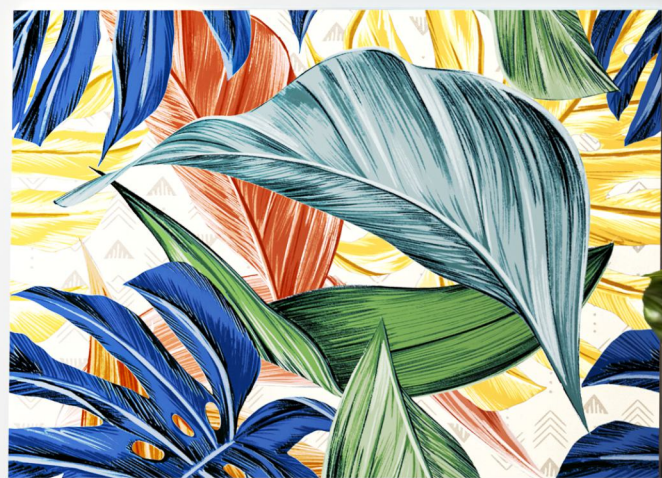

Transform spaces with Moroccan-inspired designs

Step into the world of Moroccan artistry with our 300x300mm ceramic tiles, designed to capture the charm and intricacy of traditional Moroccan patterns. These tiles bring an exotic touch to your spaces, with vibrant colors, geometric designs, and cultural influences that evoke a sense of timeless beauty. Perfect for creating statement walls, feature floors, or unique accents, they seamlessly blend heritage with modern aesthetics.

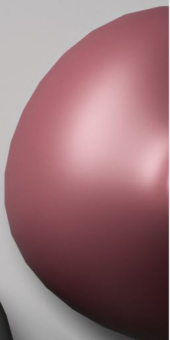

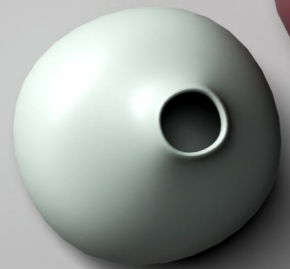

Crafted with precision and durability, these tiles are ideal for both residential and commercial settings, adding character and elegance to any area. Whether you're designing a cozy nook or a luxurious lounge, our Moroccan-inspired tiles offer versatility and sophistication, transforming every corner into a masterpiece of design.

Crafted Surfaces, Precision Sizes

Our ceramic tiles offer the perfect fusion of artistic detail and practical innovation, featuring intricate surface carvings, glue-ready convenience, and a radiant luster finish. The carvings bring depth and texture, transforming walls into works of art, while the glue-ready design ensures effortless installation with lasting strength. The luster finish adds a touch of brilliance, reflecting light to create vibrant, elegant interiors. Designed with precision, these tiles seamlessly combine beauty and functionality, making them ideal for any space.

300X300MM

Elegance & Endurance Redefined

Exotica Ceramics offers an exquisite blend of opulence and durability in its exclusive collection. Crafted with precision and designed to cater to contemporary living, this collection is ideal for those seeking to embellish their living spaces with extravagance while ensuring long-lasting strength.

These 300x600mm tiles from Exotica Ceramics elevate your interiors with their captivating designs, intricate patterns, and flawless finishes, all while fortifying your spaces to exude robustness and luxury. Transform your living spaces into a realm of enduring elegance with Exotica Ceramics.

300x300mm
